

## Concert Band Tuxedo Shirts

There are several styles of tuxedo shirts on the market, but the point of a concert uniform is to look, well, uniformed. So when shopping look for the shirts with the following features:

<ul style="list-style-type: none"><li>• <u>Pleat Style</u>: Full length pleated front</li></ul>	<ul style="list-style-type: none"><li>• <u>Collar</u>: Winged-tip NOT lay down</li></ul>
	

Shirts can be purchased where ever you like. Some suggestions include Hobby Lobby, Men's Warehouse, and Amazon.
